NO ONE DOES MORE FOR VETERANS.

Illinois

2021-2022
General Orders No. 2
August 2021

ALL POST COMMANDERS

Your attention is directed to the provisions of our National By-Laws and Manual of Procedure, Section 218 – Officers and Chairmen, Duties and Obligations – which states in part under Commander’s Duties and Obligations – *“Assure that the Commander or their representative attend all properly called District Conventions or meetings and County Council meetings (if applicable).”* Each State Commander is mandated to uphold the National By-Laws and this is just one small section that is being closely scrutinized by the National Organization. We appreciate the fact that Post Commanders may not always be available when District Meetings are scheduled; he/she can appoint any of his members to attend in his/her place.

SECTION 703 – BONDS

Please refer to Section 703 of the National By-Laws and Manual of Procedure regarding the bonding of officers. We quote in part from Section 703: *“Each officer accountable for funds or property pursuant to any provision of these By-Laws shall be bonded with an indemnity company as surety in a sum at least equal to the amount of the liquid assets for which, so far as can be anticipated, he may be accountable.”*

SECTION 709 – CONTROL OF UNITS

We have had a few inquiries from VFW Posts considering the sale of their Post Homes. Please be reminded that Section 709 - Control of Units in the National By-Laws and Manual of Procedure must be followed in its entirety.

“In addition to other legal requirements under existing local laws or Department By-Laws, no Post, County Council, District, or any holding company or corporation subordinate thereto, shall purchase, sell or otherwise transfer title or any interest in any real estate unless written notice of such proposal has first been given to each member of said unit ten (10) days prior to such regular or special meeting at which the proposal is to be considered, and then only by two-thirds (2/3)

vote of approval of those members present and voting at such regular or special meeting. In addition, at least thirty (30) days prior to such meeting, notice shall be provided to the Department Commander who shall review any sale, purchase, transfer or encumbrance to determine whether such transaction serves the purposes of the Veterans of Foreign Wars of the United States as prescribed in the Congressional Charter. Failure to comply with these provisions shall nullify said transaction.”

REGULARLY HELD POST MEETINGS

“Sec. 203 - Regular, Special and Committee Meetings; Quorum; Authorized Attendees.

Regular Meetings. Posts shall hold at least one regular meeting each month. Failure to comply can result in immediate revocation of the Post Charter notwithstanding the provisions of Section 211 of the Manual of Procedure.”

Posts **MUST** meet each month. Those that do not comply with this by-law are subject to adverse action. Post and District Commanders are expected to insure compliance.

MEETING MINUTES

Keeping properly formatted meeting minutes is one of the most important duties you have to your post or district. There have been recent incidents of post meetings being held and important decisions, such as the membership approving to sell property, not being recorded in the minutes. If it is not recorded, it did not happen. Meeting minutes must include the following.

- You need to include the date, time and type of meeting
- Meeting location
- Officers/members present
- Any subject brought to the meeting floor for a vote
 - THE RESULT OF THAT VOTE
- Anything brought to the meeting floor for a discussion

Meeting minutes do not need to be a transcript-- just a summary. Your minutes need to be legible, and your minutes need to be read and approved at the next regular meeting.

For further information on how to properly record meeting minutes please refer to [Roberts Rules of Order \(Newly Revised\)](#) Section 48, paragraphs 1 through 8.

DEPARTMENT PURCHASES

“ARTICLE XII — Control of Department Purchases”

No Department Officer, appointive or elective, or Department Committee Chairman or Department Committee member, is authorized to purchase goods or enter into any agreement, expressed or implied, written or oral, providing for or involving the expenditure of Department funds without prior written authorization based on a requisition bearing the signature of the Department Adjutant and the Department Quartermaster.”

SEC. 518 -- OFFICERS: DUTIES AND OBLIGATIONS

(4) Quartermaster. Among the duties of the Department Quartermaster, the Quartermaster shall:

- a. Qualify and secure a bond in a sum at least equal to the amount of the liquid assets for which the Quartermaster may be accountable in accordance with Section 703.
- b. Collect all monies due the Department and have charge of the funds, securities and **other property** of the Department, all of which shall be placed in their care. The Quartermaster shall be the accountable officer of the Department and the Treasurer of all committees handling funds.
- c. Disburse funds as properly authorized by the Department using accepted banking practices. Unless otherwise provided for in Department By-Laws, all disbursements of Department funds shall bear the signature of the Quartermaster.....
- j. Budget. Prepare a tentative balanced budget for the financial operations of the ensuing year. The budget once adopted by the Department Council of Administration shall be forwarded to the Adjutant General by November 1.

2021 FALL PROGRAM BOOK

This year's theme is “9/11 – 20 Years Later”

We can all remember 20 years ago as we watched in horror the Terrorist Attacks of September 11, 2001 unfold in front of our eyes on national television. We can all answer that question – where were you on Sept. 11?

This year, our Illinois VFW Fall Program Book will honor the 20th anniversary of the terrorist attacks that shook our nation – the stories of where our members, and future members, were on September 11, 2001?

A veteran submission form is included in the General Orders and we're asking as many members who want to - to fill out and turn in their story (and photos) to be included in “9/11 – 20 Years Later”. Submission is simple – fill out the included form, and return either via mail to State Headquarters, PO Box 13206, Springfield IL 62791 or via email to bwilson@vfwil.org

In addition, Posts, Districts and individuals are invited to submit an ad for inclusion in our Fall Program Book. An ad form is included in these General Orders.

SERVICE OFFICER SEMINAR

On Saturday, October 2, 2021, a workshop, "Understanding Veterans Benefits" will be held at Batavia Post 1197, 645 S. River St., Batavia, IL. The program begins at 8:00a.m., and runs until 3:00p.m. Workshop sponsors are District 19, Post 1197 and their Auxiliaries.

The cost is only \$20 and includes breakfast, lunch and all printed materials. Registration information and further details are available at the Workshop website: www.vetworkshop.org.

This program was originally scheduled for 2020 but was delayed and re-scheduled due to Covid-19. No further schedule changes will be made. There are, of course, many such programs about veterans' benefits but what makes this one different and truly outstanding are the program and speakers.

Workshop topics were selected because of current interest to veterans, active duty personnel and the families and friends, all of whom are invited to attend. Our speakers are the "pro's pros" of VA benefits.

As of now they include Barry Walter, Past Director of the VFW Service Office, Department of Illinois and a current VSO with the Department of Michigan, Derek Giffin, current Director of the VFW Service Office, Department of Illinois, Jacob Zimmerman, Superintendent, Veterans Assistance Commission of Kane County and Andrew Tangen, Superintendent, Veterans Assistance Commission of Lake County.

This outstanding team was put together by Program Chair, Steve Fixler, Superintendent, Veterans Assistance Commission of DuPage County and the Workshop Committee Chair, Dutch DeGroot, Service Officer, 4th District and Post 1337. Please encourage your members to strongly consider attending this important Workshop for their benefit and for the benefit of all veterans in their respective Districts and Posts.

Blood Donor
Robert McLeod
Program Director
Email: rock76@yahoo.com

The need for blood is great. I do know that there are members and Posts out there that have done their part and donated already. we still need to do much, much more-- doing blood drives, having more than one member donate and then going back a few months later and donating another pint.

Now is the time to shine as a Department by coming back stronger than ever. Get out there and give the gift of life. you never know who you may help or whose life you may save.

I ask that members that have questions about the program consult the Commanders Leadership Manual first. It does have a lot of good information.

We may have only started the year in reporting, but we need to do more and get those numbers up. Posts and Districts- set a goal for how many pints you want to get this year, and go out there and reach that goal.

Blood is Life.

Youth Activities
Robert McLeod
Program Director
Email: rock76@yahoo.com

So the students are going back to school and the question is- What has the Post or District done to get the word out about the Patriot's Pen program? Now is the time to contact the schools, churches and any other youth organizations. Post Chairmen, remember this is the hardest part of the program, getting the word out of the students. Keep at it.

Posts can still report on Youth Activities or involvement with youth programs such as coaching youth sports or church programs.

Remember that the youth of today are the leaders of tomorrow. Get involved with them.
